## Coach's Corner

**Meet Mika Siegelman!** Mika is the head coach for the Hi Heat FC 08G team and assistant coach for the 00G as well. She played 4 years at Brown University and is currently a PhD candidate in the Department of Oceanography at the University of Hawaii. Mika has a phenomenal approach with young players as she offers inspiration, instruction, and is a fantastic role model. For the older players, Mika brings the experience and knowledge of what it takes to play at the next level and specifically in the Ivy League. In her spare and working time, Mika spends a lot of time conducting scientific scuba operations both here in Hawaii as well as throughout the Pacific including Palau and Samoa. We are so fortunate to have Mika on our Hi Heat coaching staff.
